THE THIRD DAY

In 1976, Proprietor Darioush Khaledi emigrated from Shiraz, one of ancient Persia's prominent wine regions, seeking personal and economic freedom. After 20 years building California's largest independent grocery business, Khaledi embarked on his lifelong dream of opening a winery. Darioush is the culmination and personification of his worldwide search. Founded in 1997, the winery is renowned for small-lot, estate-grown wines, emphasizing the character, concentration and finesse of the world's most celebrated varietals.
