

# DARIOUSH

## 2014 Sage Vineyard Mount Veeder Red Wine NAPA VALLEY

### DARIOUSH DISTINCTION

Our pursuit to create wines with deep character, courage and integrity has, after years of experimentation, led us to a first-of-its-kind, single-vineyard Bordeaux blend exclusively grown from our Sage Vineyard estate. Our 22-acre site perched atop Mount Veeder is comprised of 31 distinct vineyard blocks, each with unique soils, water and sun requirements. For over a decade, we've adapted our meticulous vineyard practices to capture the nuance of this diverse ecosystem. Made only in certain vintages, the wines are designed to showcase the complex aromas and flavors of their hillside origins; they are at once site-expressive and powerful, round and impeccably balanced— all traits that inspired the artistry of this label.

### TASTING NOTES

Relatively warm growing seasons such as 2014 unlock the full potential of the Mount Veeder appellation, resulting in a very provocative initial offering of our Sage Vineyard Red Wine. Densely packed with rich, red and black fruits complemented by savory earth characteristics that are so indicative of Mount Veeder, the wine blossoms with ripe cassis, mulberry and firm but refined tannins. Licorice and blackberry aromas and flavors are accented by spice-cake, dried herbs, roasted coffee, and lead pencil that linger through an exceptionally long and fresh finish.

#### COMPOSITION

60% Cabernet Sauvignon,  
20% Merlot,  
10% Cabernet Franc,  
10% Malbec

#### APELLATION

Sage Vineyard - Mount Veeder

#### WINEMAKER
